

THALEIA Residence

Welcome to *THALEIA* ...

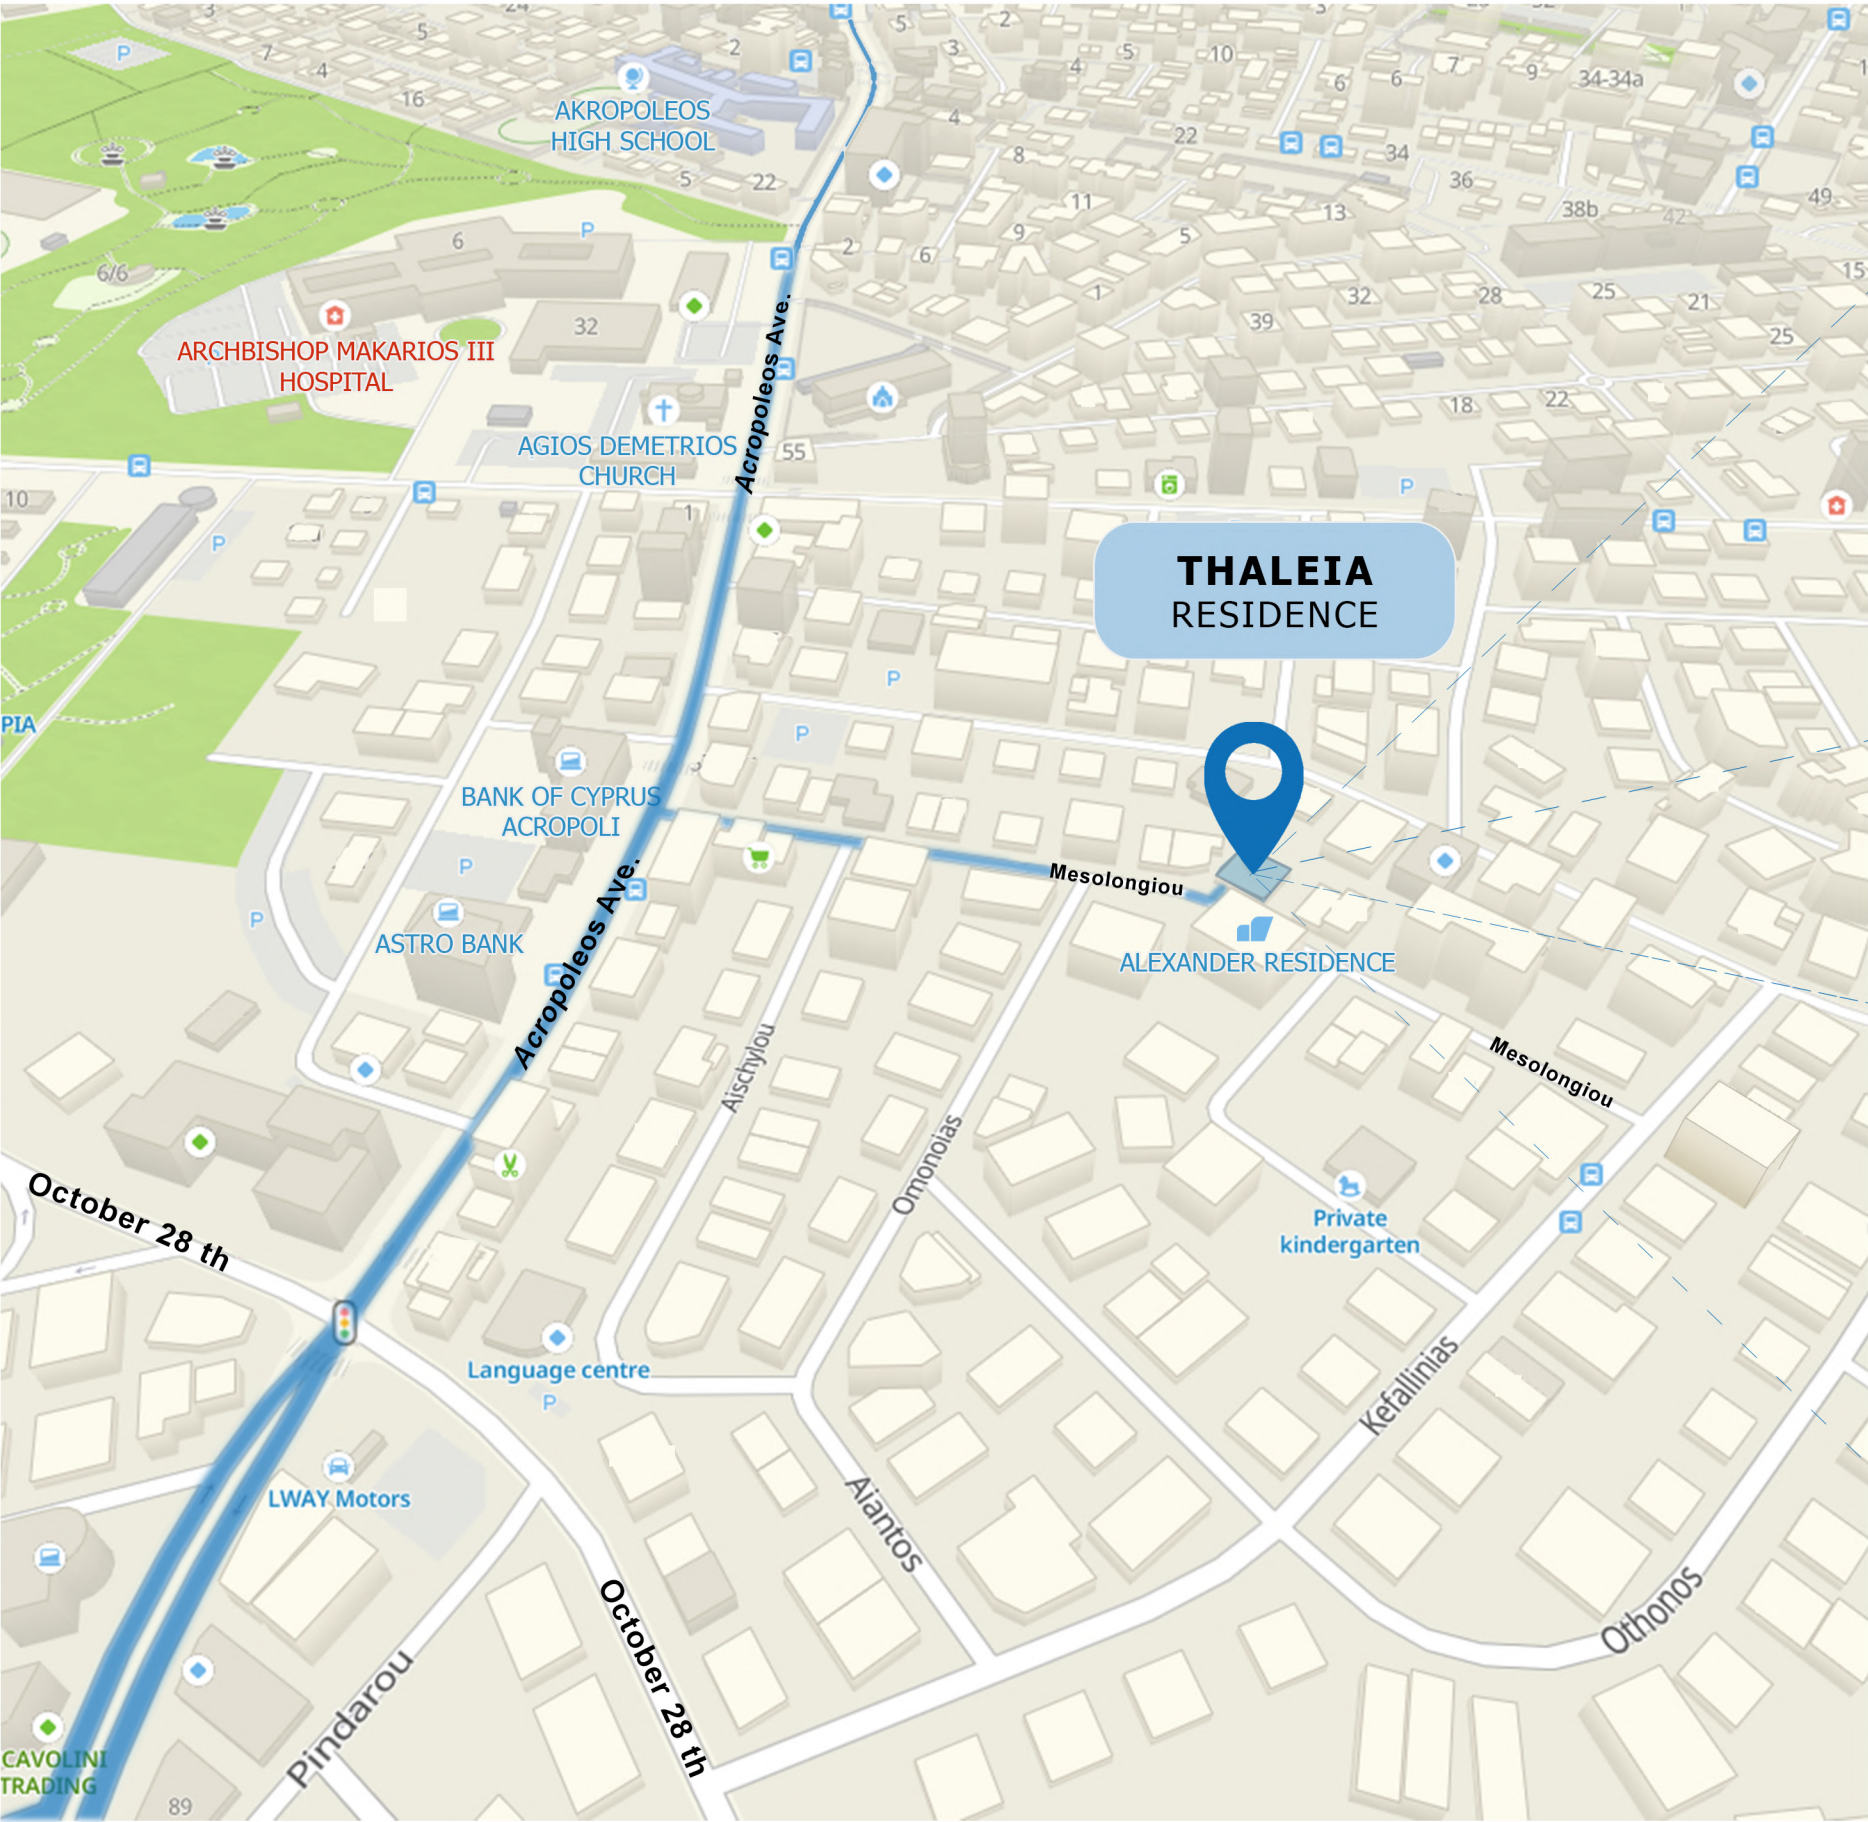

THALEIA RESIDENCE

Thaleia Residence is a well- designed residence with two identical Two Bedroom Apartments on each floor, forming a symmetrical three-dimensional external elevation resembling the shape of a rectangular prism, where all sides are equal in length. An elegantly designed entrance with its travertine surfaces in combination with wood and light, leads you to the luxurious apartments, providing spacious and comfortable living spaces for families and individuals in the heart of Acropolis.

An A' Energy Category Building located in a quiet neighbourhood off the Acropoleos Avenue with easy access in and out of Nicosia, comprises of 4 typical floors with 8 modern and luxurious Two Bedroom Apartments offering spacious covered balconies, parking facilities and storage rooms on the ground floor.

Thaleia Residence welcomes you to its luxurious A' Class Energy Performance Apartments offering you a well-designed and comfortable home.
